The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第一組	景文科技大學	視覺傳達設計系	王芷綺 葉育瑄 蔡郁庭

作品

評審一 評語	造型宜活潑些
評審二 評語	A well-written and humorous story. Drawing is simple but fun.
評審三 評語	Good visuals and interesting story. Includes fable mythology and contemporary culture. Easy to understand, but has grammar problems. Should have stuck to either past or present tense, not switch back and forth. Also names need capital first letters.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第二組	致理技術學院	國際貿易系	徐如儀 利沁潼 楊蓉

作品

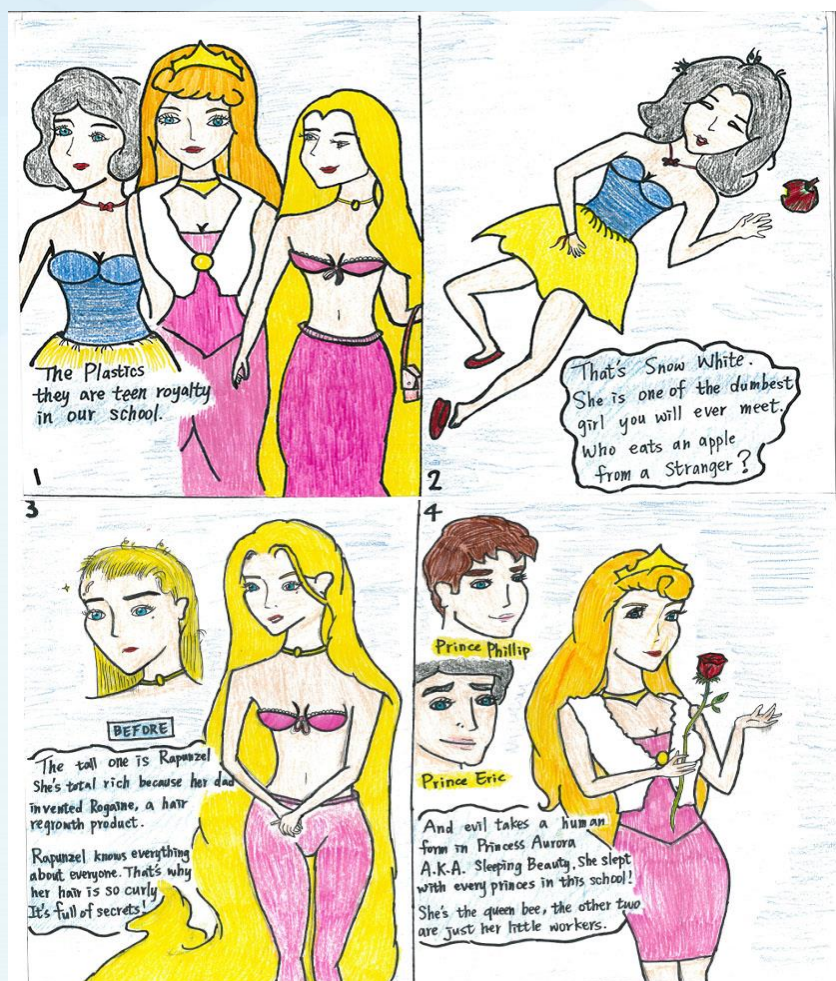

評審一 評語	色彩、造型宜加強
評審二 評語	Could have been improved with more dialogue or narrative.
評審三 評語	Clear visuals. Interesting idea. Top to bottom and left to right speech direction not followed. English is very basic but still has one mistake or two in the laughtes(' Ha ha ha' or 'He he he' etc, not 'hey') and to take effect, not ' effects'.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第三組	致理技術學院	國際貿易系	蔡昇達 陳芷萱

作品

評審一 評語	造型、構圖宜加強
評審二 評語	Well written although no story, but an introduction to the characters.
評審三 評語	Not much of a storyline. One story about one princess might have worked better or just any kind of story with a beginning, middle and end. However, good use of English, and only one error-every should be followed by singular.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第四組	景文科技大學	視覺傳達設計系	黃依鴻 何羿萱

作品

評審一 評語	劇情有趣
評審二 評語	Short and to the point. Slight spelling and grammatical errors.
評審三 評語	Good visuals and an interesting take on the original story. However, it uses only basic English and has spelling and grammar problems- 'coming' and 'what beautiful'.

作品

評審一 評語	圖文俱佳，有專業水平
評審二 評語	Well-written story. Love the detailed and colorful drawings.
評審三 評語	Good visuals. Three stories mixed into one! Well done. Ambiguous ending, but still good overall. Quit good English with only one error- use of 'one' instead of 'a'.

作品

Little Red Riding Hood

Why your body so big?
Grandma.
To give you a big hug,
my dear.

There is no grandma here.
Is me, the Bed Wolf in the world.
And you'll going to be my meal sooh!
MUHAHAHAHA!!!

One upon a time, the Little Red Riding Hood was delivering some food to her sickly grandmother. When she arrived, she notices that her grandmother was strange.

But no one know, it is a wolf disguised as her grandmother and preparing to eat her.

1 2
3 4

It's TIME!

After the day, none of the people saw the Little Red Riding Hood again but the two of wolfs hovering around the woods.
THE END.

評審一 評語	清爽易讀
評審二 評語	A bit silly, but I found it funny nonetheless.
評審三 評語	Good use of visuals to lead to punchline, but no explanation, and last sentence only increases confusion. Switches between past and present tense where it shouldn't, and contains a 'bad'/'bed' confusion.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第七組	景文科技大學	資訊管理系	陳耀華 曾婉茜 何名涵 李育芳

作品

評審一 評語	活潑動人，文字宜放大些
評審二 評語	A little strange, but well written and well drawn.
評審三 評語	Interesting, complex story and amusing visually. However, the long story has many errors. Past tense is dropped and the basic form is used. Plurals are also dropped. One character, Mary, has her name spelled 'Marry' which is confusing because 'marry' is a verb used in true story.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第八組	景文科技大學	應用外語系 視覺傳達設計系	王瑄 張庭瑄 陳柔安

作品

評審一 評語	明快、生動，有專業水平
評審二 評語	A little strange, but well written and well drawn.
評審三 評語	Actually uses 3 frames, not 4, to show off artistic talent, but there's not much story, and not much that's original. Good English. Only mistake is first sentence should start 'one night'.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第九組	景文科技大學	環境與物業管理系	高柏洋 王文洋 吳昊禹

作品

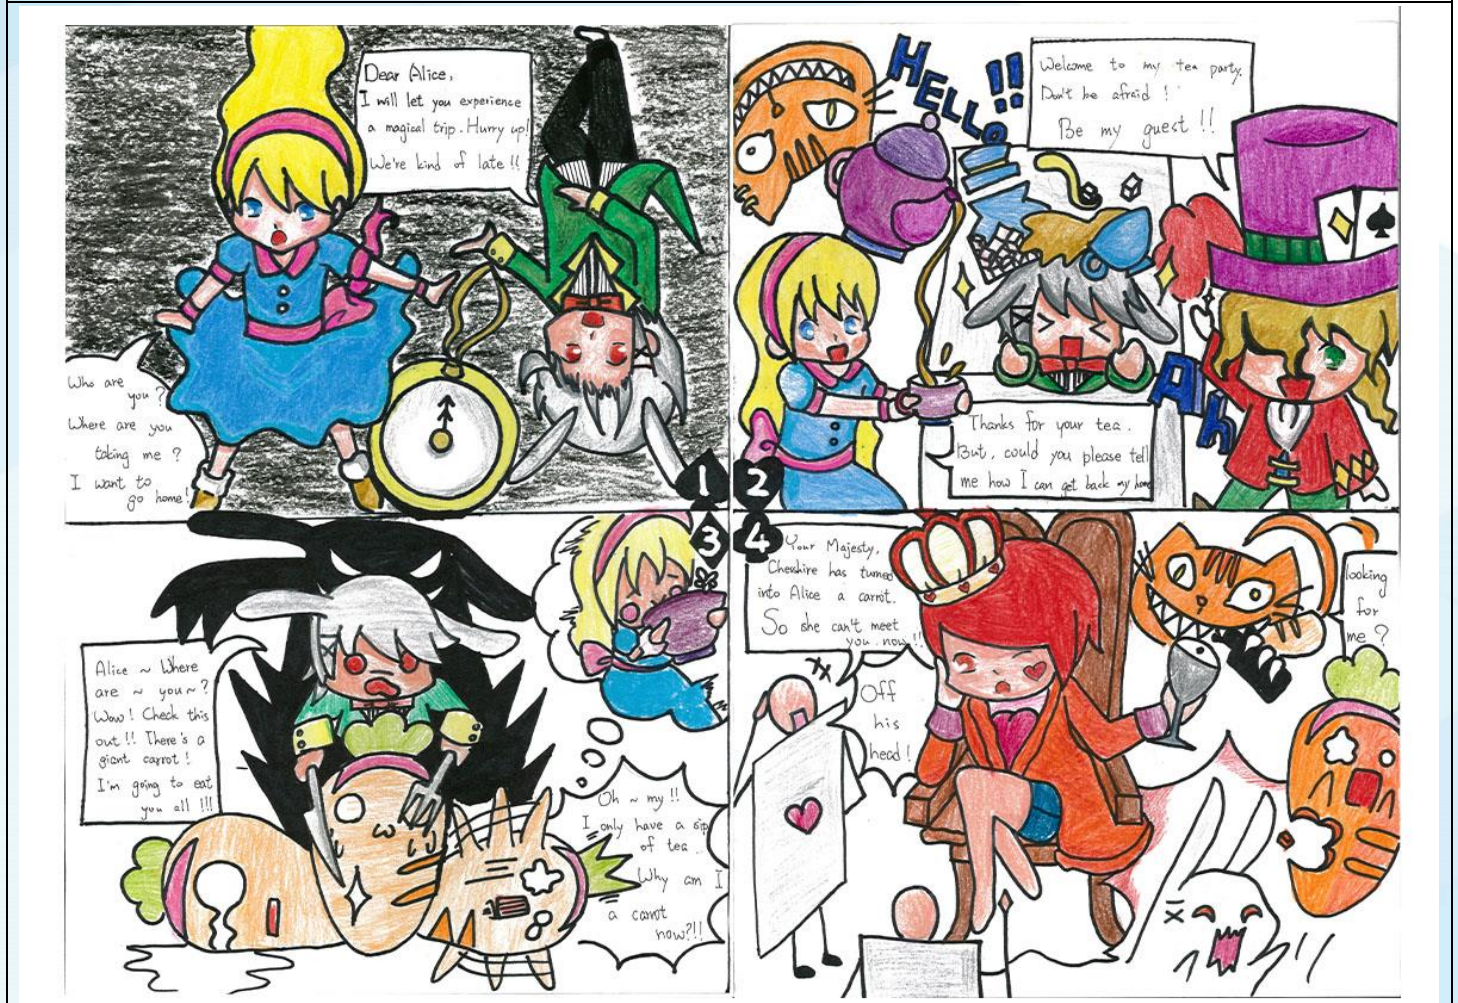

評審一 評語	圖文不佳
評審二 評語	Definitely needs more text to tell story.
評審三 評語	It's interesting that the dwarves ignore Snow White. But the comic actually uses 5 frames, not 4. The poorly drawn pictures are funnier than the weak punchline. Use of English is basic, but the first sentence is still wrong, missing some words.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第十組	致理技術學院	應用英語系	陳詩婷 黃麗紋 吳思萱

作品

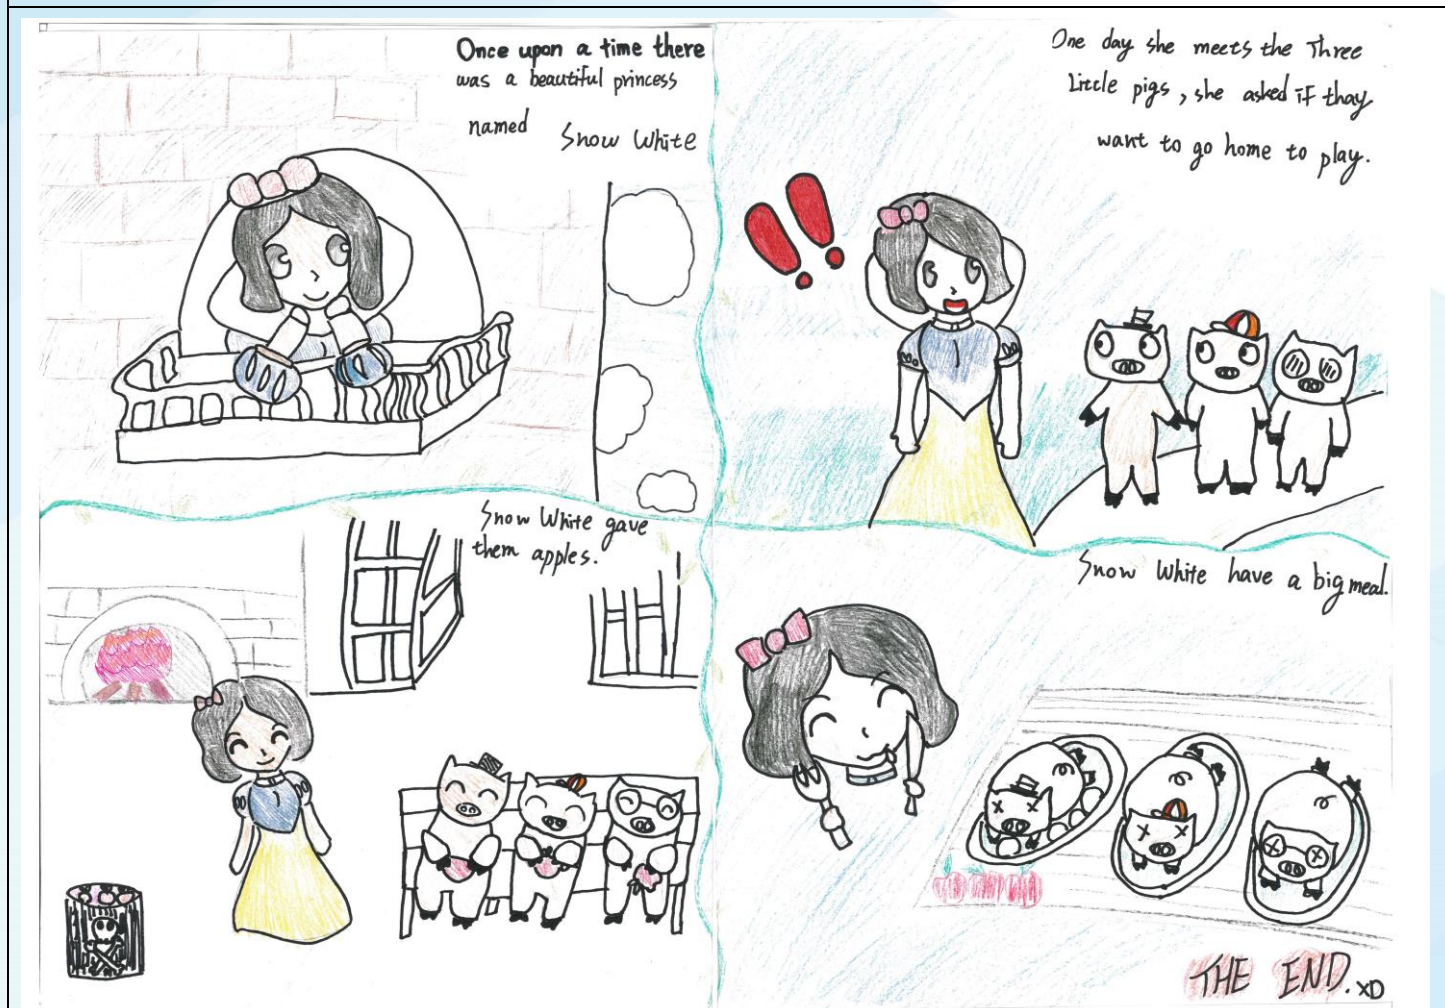

評審一 評語	色彩豐富，內容生動
評審二 評語	Story is a bit strange, but understandable (it is Alice in Wonderland after all), well written too.
評審三 評語	The story turns surprisingly scary in the last 2 frames. Visually a little confusing. Uses quite good English, with only a couple of errors: 'I only had, not 'have', and it should be 'off with his head'.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第十一組	景文科技大學	資訊工程系	吳郡慧 陳孟欣

作品

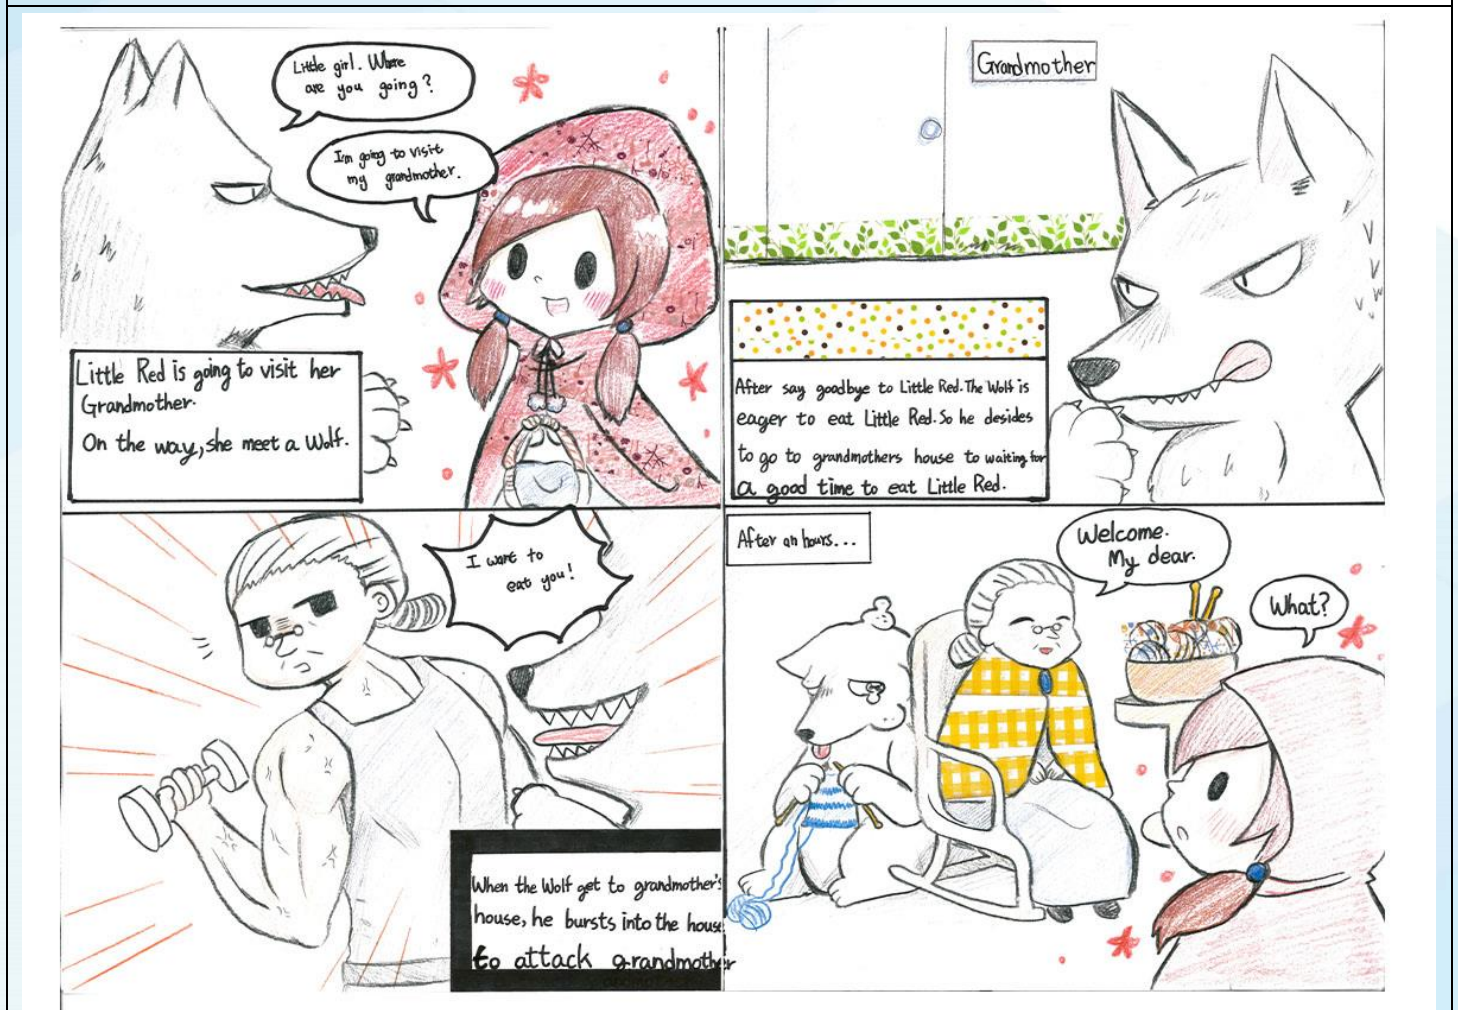

評審一 評語	故事有趣，惟文字描述與圖例關係宜加強
評審二 評語	Too few words used to tell story, making story seem choppy.
評審三 評語	Another scary story, this time a version of two fairy stories mixed together. More use could have been made of colour. Uses present tense instead of past, then uses base form by mistake.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第十二組	景文科技大學	國際貿易系	夏若琳 郭子薇

作品

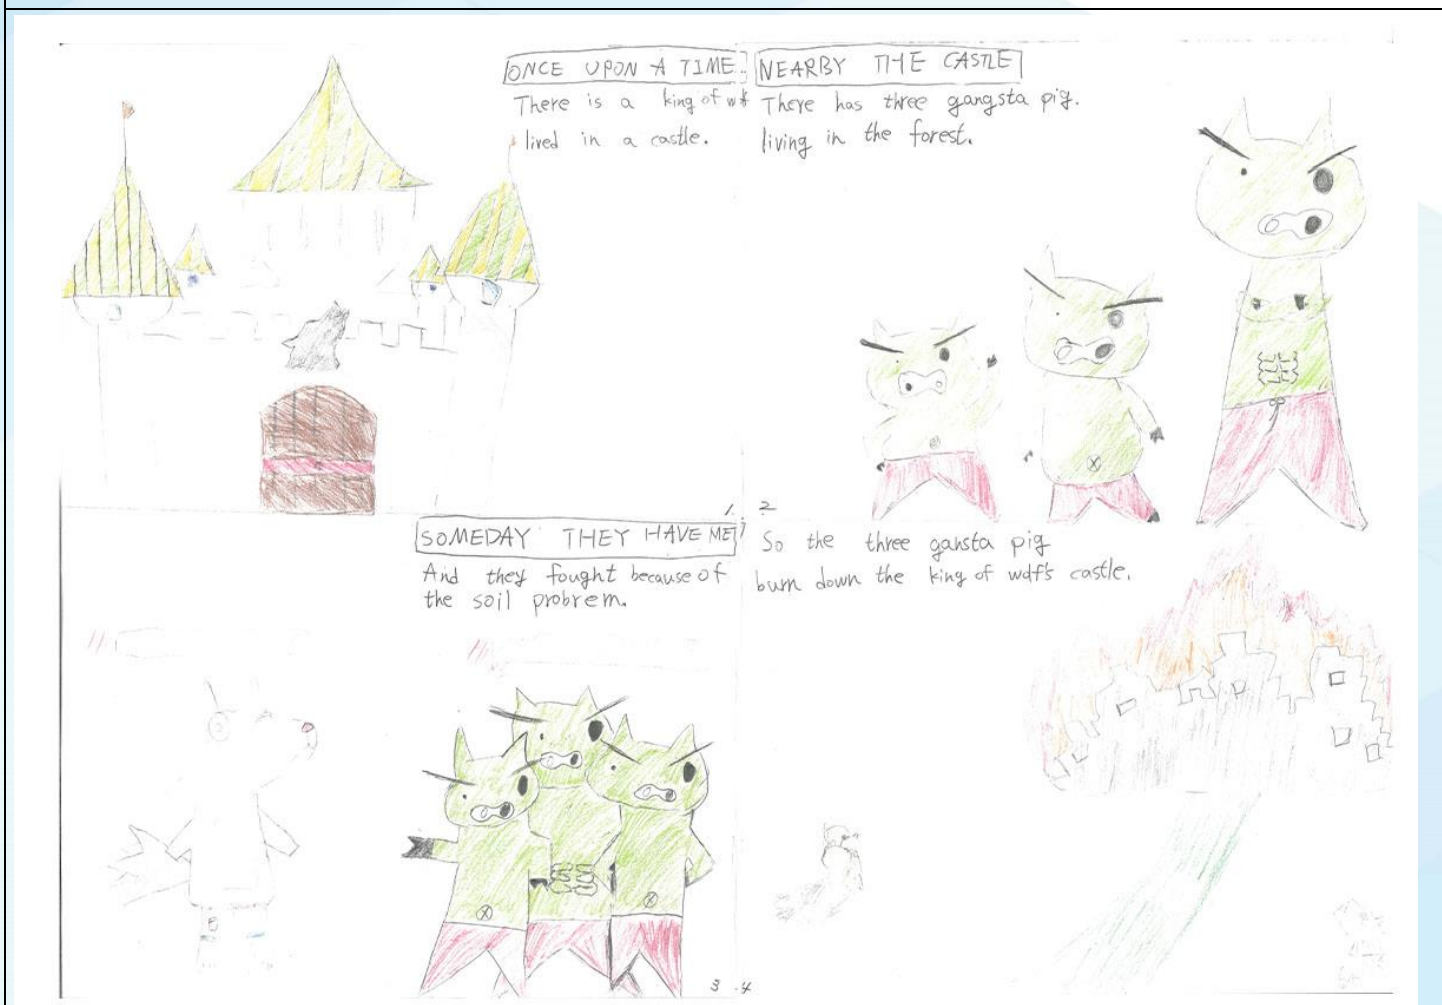

評審一 評語	簡單明瞭，生動有趣
評審二 評語	Well written with only slight errors.
評審三 評語	The wolf gets his comeuppance! Funny story, good visually. Uses base form by mistake instead of present tense, drops an 'ing' form a gerund, uses 'ing' after 'to' and uses a plural after 'an'. So quite a few errors.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第十三組	景文科技大學	資訊工程系	徐文豐 張希遠 蔡易霖

作品

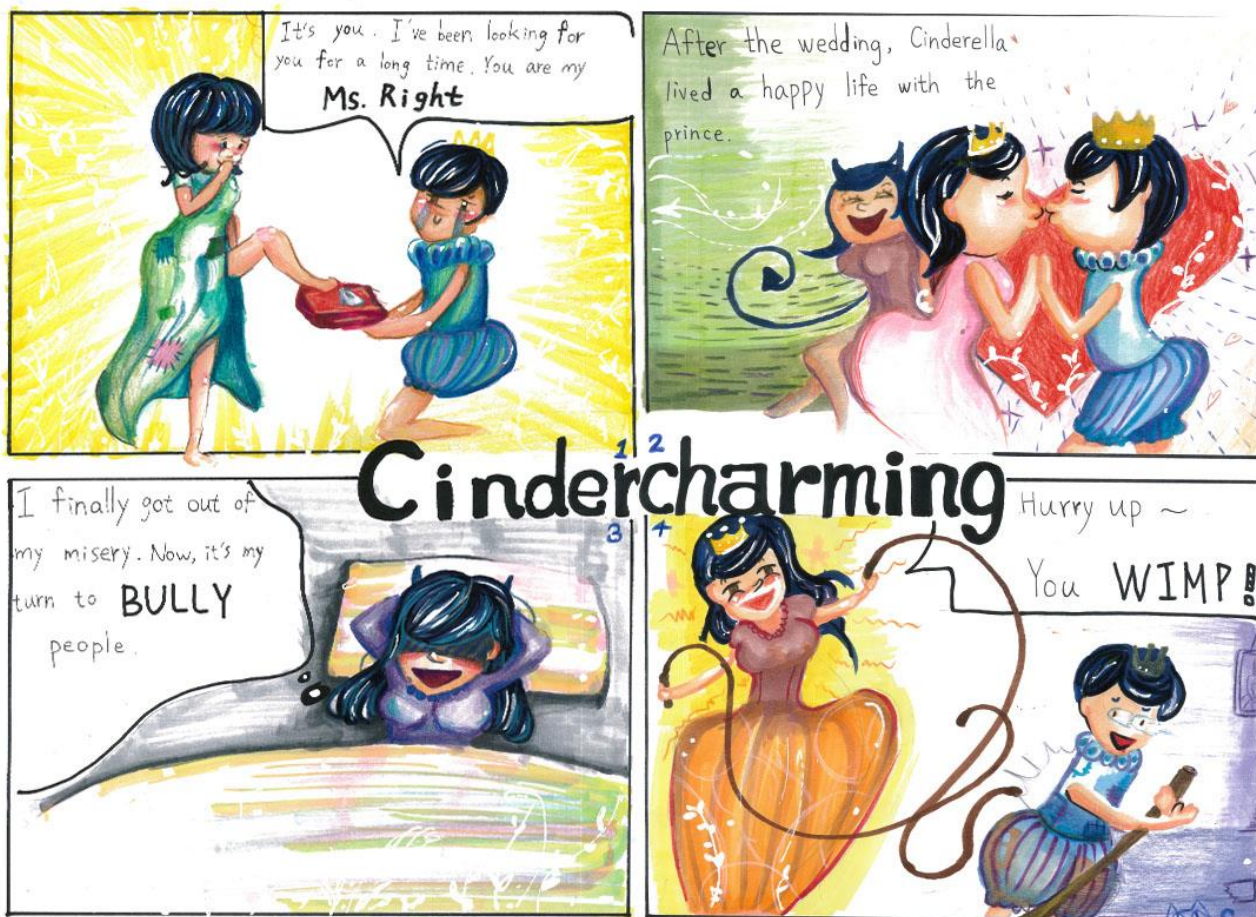

評審一 評語	內容有趣，惟色彩、造型不突出
評審二 評語	Language is too concise to convey story.
評審三 評語	The second frame made me laugh out loud, but the comic was ruined by a poor translation. I don't understand what a 'soil problem' is. A 'turf war' maybe? The poor visuals make it funnier.

評審三 評語	An interesting premise. Good visuals. Although not a long story, quite good use of English and no errors.

作品

評審一 評語	構圖、色彩出色
評審二 評語	A modern twist to a classic tale. Clear and simple language usage.
評審三 評語	Good use of colour. Strange noses. A funny storyline. Good use of English, with no errors! Extra point for happy ending!

組別	學校	科系	姓名
第十八組	景文科技大學	視覺傳達系	陳俞君 黃紹軒

作品

評審一 評語	劇情有趣，創意十足
評審二 評語	A humorous yet realistic look at romance in the 21st century.
評審三 評語	Good use of perspective. Interesting quirky use of mice and cheese. But not much of a storyline. And let down by poor English that contains many errors.

The 2nd JUST English Four-Frame Comic Strips Competition

組別	學校	科系	姓名
第二十組	景文科技大學	視覺傳達系	李思滢 任乙方 廖芳滢

作品

評審一 評語	整體明亮活潑，造型、色彩極佳
評審二 評語	Nicely drawn with funny twist at the end. Simple language complemented well with clean drawing.
評審三 評語	A lot of time has been taken over the good artwork, but I don't understand the story, why is the hunter angry in the last frame? The poor English only increase my confusion.
